

CHILDREN'S HOLIDAY CLUB

On February 16th and 17th 24 children on Tuesday and 30 children on Wednesday joined us for two days of fun.

Despite the dreadful weather outside we were experiencing a lot of joy and fun indoors. We spent the two days, running, singing, shouting, laughing, cutting, painting, clay modelling, drawing, sticking, laminating and

tossing pancakes, and the children went home with arms full of craft work. It was, once again, a great success and we missed Sue, but it won't be long before she is back with us. In the mean time we would like to thank Frances who came

along to help, and a big thank you to Judith who came along to do the story time which informed the children about Shrove Tuesday and Ash Wednesday what it is and the history of how the Countries around the world celebrate these days.
